Gaining Early Awareness and Readiness for Undergraduate Programs

There is no parent meeting for November, due to elections on the 4th and no school on the 11th...the next scheduled meeting will be on December 2nd, at 7:00 in the career center. This is a GEAR UP FAMILY meeting, as we invite all scholars to come and give your input on what the summer session should look like for summer '09! This is your chance to help us plan the session-we value what you have to say! See you there.
